ciples could be lost? How would

the result supposed be achieved?

at least in the greater part, by

three millions of Democratic voters add their votes to one million of Liberal Republican voters—is there two States is attracting more than or- voring conciliation and compromis danger that the three-fourths would be swallowed up by the one-fourth? Is there danger that the greater would pending presidential election. If the enemies of the administration can with which to reward their zeal. But war was declared, their constituents be included in the less? Is there the carry these two States in their present did not hang them, San Jacinto was slightest reason to fear that an administration owing its existence to such disorganized condition, they will have fought, a combination of popular elements no trouble in controlling them in Nowould ignore the sincere public purposes of the major quantity, and direct importance of carrying New Hampits policies with an exclusive regard shire and Connecticut, and has brought If there be any persons who enter-Governor Jewell, of Connecticut, is at tain an idea so absurd, surely their knowledge of human nature and of the nature of causes by which which the nature of causes by which governmental policies are shaped is New York Custom House has furprehend the order, and, after a terrific On the evening mentioned, there nished money heavily for Connecticut extremely limited. If, then, the supposed result would be the country of the essential objects which all libersi-minded citizens desire, and, Another plan has been adopted. The Another plan has been adopted. The office-holders are assessed heavily, but furthermore, of the indiamental objects for the achievement of which a jects for the achievement of which a large body of citizens have made to themselves an instrument called the Democratic party (an instrument it must be confessed, which has not proven in use a means entirely adequate to the end), and if there be a reasonable hope of achieving that respectively. Another plan has been adopted. The office-holders are assessed heavily, but cautiously. Only the faithful are beinest expeditiously, and it caused him to have to whip, after the war, at least a score of his comrades before they could be convinced that a bare allusion to it must of necessity end in a fight. A noble son of this Texas soldier was a comrade of my own; proven in use a means entirely adequate to the end), and if there be a reasonable hope of achieving that responsible to the faithful are beinest expeditiously, and it caused him to have to whip, after the war, at least a score of his comrades before they could be convinced that a bare allusion to it must of necessity end in a fight. A noble son of this Texas soldier was a comrade of my own; proven in use a means entirely adequate to the end), and if there be a reasonable hope of achieving that responsible to his heels. This brilliant piece of strategy he executed most expeditiously, and it caused him to have to whip, after the war, at least a score of his comrades before the control of a fight. A noble son of this Texas soldier was a comrade of my own; proven the mean of the mill, on sective end in the end of the control of a fight. A noble son of this Texas soldier was a comrade of my own; at least a score of his caused him to have to whip, after the war, at least a score of his comrades before the war, at least a score of his comrades before the control of an inexperienced man. The former allusion to it must of necessity end in the settlement and shortly after arriving, notice the control of a fight. A noble son of

THE TRIAL of the Tichborne case strumentality, and a moral certainty of failing to achieve it by adhering to a different instrumentality, would it ably against the claimant. This is a different instrumentality, would it be the part of wisdom to change the means or to sacrifice the end?"

The county court of Chicot paid \$400, this capacity and thus beloved the cost of the funeral of the negro winn, and has recently imposed a tax of \$400,000 in behalf of railroac of \$400,000 in behalf of rai schemes. It is said that the grand bitable testimony addreed that Tiching by day with their arms at their sides, and sleeping on them at night, soulouque (Jim Mason) and Jehorum the granting transfer fraud of modern Jumper of Chicot, were paid \$10,000 Grant, the greatest fraud of modern

by the ring that secured the appro- times. priation. Mason also secured his commission as county judge, by the same means. The negroes defy the officers of the law—in fact there is no law in Chicot save that defined and law in Chicot save that defined and law in Chicot save that defined and law in the county in the secured his they built, out of hewed logs, the captitol, land-office and other public buildings, procuring out of the native logs, by the aid of whip-saws, the boards of the law—in fact there is no law in Chicot save that defined and law in Chicot save that the substitute of Neely & Cartal the save in the chicot save that the substitute of Neely & Cartal the law in the chicot save that the substitute of Neely & Cartal the save in the chicot save in law in Chicot save that defined and eastern capitalists by which they will wind executed by negro mobs led by the murderer of Sanders, who, after the bloody deed, robbed Sanders's widow of her little hoarded gold. A few days ago a white citizen of the county days ago a white citizen of the county July.

white household. The black savages would not give credence to the story told by the girl's father, and with the utmost difficulty the young man, Calhoun, escaped on a passing steamer. Squads of armed blacks traverse the country in all directions, and each day the number of white fugitives the proceeds of his cotton crop to pay the current expenses when he retired. Grant, on the contrary, began public life poor, but is from Chicot in this city grows greater. Clayton and Hadley, through their appointed agent, living has more than doubled. How living has more than doubled.

Chapter for intending immigrants—The Centers and Lawyers-Seed-bys.

GALVESTON, TEXAS, February 21.

THE SCHOONER SARINE. the Times the following question:

Suppose, that the Democratic party hould make no nominations in the approaching political contest, but give its apport to the nominations of the Liberal spublicans; and suppose, for the sake of ustration, that the result should be the suppose of the nomines of the Liberal spublicans; and suppose, for the sake of ustration, that the result should be the suppose of the nomines of the Liberal spublicans; and suppose, for the sake of ustration, that the result should be the foundered. It has frustrated many of their schemes, and will have a powthe nominees with the profoundest respect. The Washington Patriot, the central organ of the Democratic party, says: "The proceedings of the Later of the party of the processing of the Later of the processing of the processing of the Later of the processing of this port ordered the Sabine to proler and his friend loosed, simultaneously, the two cables, fore and aft, by which the vessel was secured, and, shooting forward under full pressure seeing the success of the Sabine, con- them get on badly. luded to make a similar attempt.
